

Szczecin, 03.01.2001

Dear valuable customers,

the *Bonelli Sistemi* company has pleasure to present you the first version of the new outdoor siren - **SAEL LAMP 2000** designed by Pininfarina (the most famous, italian designer, whose the one of the most important achievements is the design of the Ferrari car). The **SAEL LAMP 2000** can be delivered in two colours: silver grey and white. The lens colour is orange.

Herewith enclosed the picture and the main features of the **SAEL LAMP 2000**.

- Plastic (by-bland) enclosure,
- Withdrawable electronic board,
- 12 VDC 2.1 Ah battery bay,
- 109 dB at 3 metre acoustic power,
- High visibility orange flashing light (resistive bulb),
- Min. consumption: 3 mA,
- Max. consumption: 1.75 A,
- 10 minutes automatic siren cut off.

I hope our offer will be interested for you and you will participate in it. In case of additional questions, please, do not hesitate to contact with me. Kindly, be informed that you are able to connect by: tel.:+48 91 812 11 91, fax.:+48 91 812 74 57, e-mail: bonelli@bonelli.pl

I am looking forward to hearing from you.

With every best wishes for the Happy and Prosperous New Year 2001,

Katarzyna Strzała-Pańczyk
/Export Manager/
